Email completed forms to hallinen@yahoo.com. Save a copy for yourself. Hours will be submitted on Fridays to Jane.

Please include comments in the boxes at the bottom such as how many bags you filled, if the area needs more work, how much time you worked in the parks, or whatever information you think is important.

Completed forms will be posted to dunhamlake.com at the end of the season. Thank you for your work.

Remember, wear eye protection, gloves and wash with technu at the end of your work day. Avoid the hymenoptera.

Click locations where invasive plant were treated

Open a second form if more than one plant species was treated.

scoped livingston upper trail and lagoon area for first year garlic mustard patches as well as picked large ones if we found any.

Did oakland side upper trail and found several patches of first years and full growns near private properties by blue heron park.

Filled about 3/4 of a bag
