TREE REMOVAL AND/OR TRIMMING ON GREENBELT REQUEST FORM

Request for removal or trimming of trees within the Greenbelt bordering personal property, can only be made if the tree or branch will cause damage to your property. Any trees that need to be removed or trimmed need to be marked with ribbon and approved by a board member. A board member must be present during the removal and/or trimming. Please take pictures for documentation and send in with this filled out form to a board member.

PLEASE NOTE: Oak trees can not be removed or trimmed in the Spring or Summer unless absolutely necessary due to Oak Wilt.

Date designated for removal and/or trimming by our tree service:
(DPLOA board member must be present at removal)

DLPOA Board Member present at time of removal and/or trimming:

A DLPOA Board member will contact you with any additional questions, approval or denial of your request.

NOTE: No work on the Greenbelt can be done unless a DLPOA Board member is present.

DLPOA Board Usage Area:
