

Welcome to the Neighborhood!

The enclosed Resident's Guide contains a neighborhood map, an explanation of your governing association, a copy of the common area (Park) rules, a reminder of etiquette and expectations for park activity, as well as the privilege to keep (no-motor) boats on the lakeshore. The booklet also touches on a little bit of history, a description of the natural features and neighborhood activities that make our home special, a call to action to maintain the unique beauty of our greenbelt and lake, and most of all, how to become involved in this place we call home! It is truly what we make it to be and there are plenty of opportunities for all to participate! It is our hope that you keep this guide and use it often.

We have a newsletter called the "Dunham Laker" that will be mailed directly to you in the Spring and Fall of each year and I encourage you to also visit our website at www.dunhamlake.com to access these materials as well as loads of other information that we hope you find useful. The website also gives you directions on how to make party reservations at the main park, as well as how to sign-up for our neighborhood emailing system through Google Groups (list-serv). The Announcement and Community Group links are a great way to connect with neighbors as well as stay up-to-date with announcements from the Dunham Lake Property Owners Association (DLPOA). You will also find a phone and email contact list for the Board and Civic Committee members.

We are always in need of volunteers to help with activities, serve as members of the DLPOA and provide support for ongoing lake projects. Your involvement can be as little as or as much as you want it to be—but please remember that the neighborhood needs everyone's support to keep it as pristine as it is!

If you have not already received the 2 hang tags for your car and 2 gate keys, plus the boat tags for your boat, please contact Cinda Everhart at cindaeverhart@yahoo.com.

Once again, welcome to the neighborhood and we can hardly wait to meet you!
